SAFETY POLICY STATEMENT

The Auckland Central Community Shed is committed to a safe Shed environment for all Members and visitors to the Shed.

The Committee will;

- Involve all members to identify and manage all existing & new hazards by taking all practicable steps to eliminate, isolate or minimise the exposure to any hazards deemed to be significant.
- Be pro-active in controlling new hazards.
- Provide health & safety training and supervision.
- Ensure that all members are made aware of the hazards in their Shed and are adequately trained to enable them to work in a safe manner.
- Encourage members to involve themselves in the activities of the safety committee, and safety in general.
- Meet our obligations under the Health & Safety at Work Act 2015, Codes of Practice and any relevant standards or guidelines.

Members will;

- Actively contribute to hazard identification and management.
- Participate in Health & Safety training.
- Adopt safe work practices, including the use of appropriate PPE.
- Encourage others to do the same.
- Observe all safe work procedures, codes of practice, rules or instructions.
- Report injuries immediately & accurately.

Every member of the **Auckland Central Community Shed** is expected to share in this commitment to Safety.
